City Hosts Information Meeting

McPherson – City officials will host an information meeting on Monday, April 11, 4:00 p.m., to update residents about construction projects along Elizabeth, Maple and Ash Streets. Details will also be provided for improvements to the parking lot north of Emprise Bank. “The parking lot project will greatly inhibit truck deliveries,” said Jeff Woodward, Director of Public Works. “There will definitely be access issues with semi deliveries.” Property and business owners are encouraged to attend. The meeting will be held at the Municipal Center in the City Commission Chambers, 400 E. Kansas.
