### PRESS RELEASE

January 27, 2022

### Northview Sidewalk Project Update

McPHERSON — During the construction of the Northview 10-foot sidewalk (from Old Hwy 81 to Main Street) in McPherson, westbound traffic occasionally will be stopped and flagged through the area with flaggers. This disruption will be sporadic and done mainly when concrete is being placed in the box culvert extension or sidewalk.

This process likely will continue until the completion of the project, scheduled to be finished near the end of May.

The City of McPherson would like to extend its thanks for cooperation and patience during this project. Questions or concerns can be directed to the Department of Public Works during normal office hours of 8 a.m. to 5 p.m. Monday through Friday at (620)245-2545.
