PRESS RELEASE

June 24, 2022

Wall Park pond restoration to begin June 28

McPHERSON — Beginning Tuesday, June 28, restoration work will begin on the pond in Wall Park. Work tentatively will last seven to eight weeks, per the schedule presented by contractor Cronus LLC.

The park will not close. However, people utilizing the area for recreational activities are advised to keep away from construction equipment as well as areas that could be hazardous.

The parking areas off Avenue A as well as South Lakeside Drive (behind Wall Park Sports Complex) will remain closed during this time as they will be staging areas for construction equipment and supplies.

The City of McPherson thanks citizens for their patience as improvements are made in the area. Those with questions or concerns can reach out to Public Lands & Facilities Director Wayne Burns at 620-245-2535 or email at wayneb@mcpcity.com.
