Euclid-Maple intersection closed for project

MCPHERSON — In an effort to have the intersection complete in time for the annual All Schools Day celebration, contractor Vogts-Parga and the City of McPherson have moved up the closure of the Euclid and Maple Street intersection in downtown McPherson.

The closure is necessary for continued work on the Elm Street Drainage project-Euclid Extension. The intersection is closed beginning today (April 8, 2025) with a goal set to have it re-opened by All Schools Day (May 9). Businesses in the area remain open.

Questions or concerns can be directed to the City of McPherson Public Works Department at 620-245-2535 Monday through Friday from 8 a.m. to 5 p.m.
