

City of McPherson CDBG Housing Rehabilitation Application Landlord Pre-Application – Initial Commitment

In January 2022 the State of Kansas will be awarding Community Development Block Grants to cities in Kansas that are in need of housing rehabilitation. The City of McPherson has determined that if awarded the grant, they are planning to allocate funds to Landlords who rent to low-to-moderate income families. Of this award money, each home may be able to receive up to a maximum of \$25,000 per rehabilitation. In addition to this the Landlord must commit 25% of the final cost of rehabilitation. [Example: if a home is in need of \$30,000 worth of repairs, the landlord would be required to commit 25% of that final price (\$7,500) and the grant would assume 75% of the rehabilitation costs (\$22,500).]

This pre-application is asking for a commitment from the landlord that he or she would be willing commit a number of houses in need of rehabilitation and can and will commit 25% of the repair cost. This pre-application is not a binding contract. Actual applications will be solicited from interested landlords when a grant is awarded. This is only to judge commitment and willingness to participate.
