### **Meet the instructor**

#### **Glenn Mathewson**

Glenn has earned multiple ICC inspections certifications and served as the building, plumbing, and mechanical inspector for the City of Westminster, Colorado. Through 2012, Glenn grew his online education portals for more education to be available to all persons'. In 2018, Building Code College was create as a means to create an online hub of independent instructors from all disciplines to help create a low-cost education format targeting the entire construction industry.
